Notice of Road Closure
Construction

Meadowbrook Parkway and Newt Drive

Dear Resident:

This letter is being sent to you due to an upcoming road closure between Boreal Drive and Meadowbrook Parkway. The start date for this project is October 17, 2022 and will most likely continue until December 9, 2022. All dates are subject to change due to final county approval and weather conditions.

The first phase of the road construction will affect Newt Drive as this roadway will be fully closed off from Meadowbrook Parkway after crossing Boreal Drive. You will need to access Meadowbrook Parkway from Highway 24 for both in-bound and out-bound egress.

Starting October 28, 2022 the road closure will be stretched between Boreal Drive and Highway 24 (in front of Circle K). Residents may choose to enter via Marksheffel Road on the north or through Circle K lot subject to customer traffic.

All traffic exiting from Meadowbrook Crossing will be detoured north on Meadowbrook Parkway with access to Highway 24 off Marksheffel Road.

For construction updates, please visit the District website www.meadowbrookcrossingmetrodistrict.org

Regards
Meadowbrook Crossing Metropolitan District
